## Experience

Tomasita's — Albuquerque, NM

- *Server*

June 2022 – June 2024

- Served 200+ customers per shift in a fast-paced, high-volume environment.
- Managed 8–10 tables while handling special requests and resolving concerns.
- Trained 3 new employees on service standards and POS procedures.

Japanese Kitchen — Albuquerque, NM

- *Server / Bartender*

Nov 2021 – June 2022

- Delivered table and bar service to 150–200 guests per shift.
- Handled \$3,000+ in transactions per shift with 100% accuracy.
- Maintained inventory and restocked supplies to ensure smooth operation.

Adirondack Watershed Institute — Paul Smiths, NY

- *Watershed Steward*

Apr 2021 – Oct 2021

- Performed inspections on 20–30 boats daily to prevent invasive species spread.
- Educated 100+ lake visitors weekly about water safety and environmental practices.
- 500+ data entries collected for use in state-level conservation reports.

## Education

App Academy — Remote

- *Full Stack Web Development*

Completed Aug 2024

- Completed 1,000+ hours of full-stack training in Python, JavaScript, SQL, and more.
- Built and deployed full-stack apps using Flask, React, Redux, and PostgreSQL.

Southern Virginia University — Buena Vista, VA

- Attended full-time; completed general education coursework

2017 – 2018
